MaxiLED Focal Facade Random Colour Change

Key Features

- IP68
- IK07 (Impact resistance)
- 5 year Warranty
- 24V Low voltage
- 200+ Globes on a single power source
- Random Colour Change
- Available in Clear and Matt Lens

Description

The MaxiLED Focal Facade Series – Random Colour Change delivers vivid, self-animating colour to façades, exteriors, and architectural features — with no programming required.

Each 64 mm globe is compact, durable, and built for permanence, with dependable LEDs in a rugged polycarbonate housing and heavy-gauge cabling. Running on safe 24V low voltage, the system is rated IP68 / IK07, backed by a 5-year warranty, and engineered for demanding outdoor environments.

Ideal for cultural landmarks, commercial buildings, and public spaces, the Focal Facade Series creates dynamic, always-moving ambience in permanent architectural lighting.

MaxiLED Large Globe Random Colour Change
